

Being a Responsible Pet Owner Video Series

We want to teach the next generation what it means to be a responsible pet owner. If more children understand what a pet needs every day and that a pet is for life, we feel there won't be so many pets in our animal shelters and rescues. The "Being a Responsible Pet Owner" video series is made just for kids, to teach them what their pet really needs. Watch the videos & check out the curriculums.
